

5 years INUNIMAI, 4th Training for Trainers
International Network of Universities for Molecular Allergology & Immunology
February 21–23, 2018, Vienna, Austria

| | | |
|---|--|---|
| Venue: Parkhotel Schönbrunn 1130 Wien +43 (1)87 804-0 | |  Die Teilnahme an dieser Veranstaltung wird mit 25 DFP-Punkten der Ärztekammer für Wien akkreditiert. |
| February 22, 2018, Seminar room Austria - Hungary | | |
| 8:00 | Registration | |
| 9:00 – 9:10 | | |
| Rudolf Valenta Viktoriya Garib | Welcome reception. Presentation of INUNIMAI - IAAI Edition | |
| 9:10 – 11:00 | | |
| Rudolf Valenta | Towards prophylactic vaccination of allergy: When, how and whom? | |
| Winfried Pickl | Immunological basis of allergic diseases | |
| Heimo Breiteneder | Allergenic animal toxins | |
| Pia Gattinger | Why are carbohydrates not allergenic but react with IgE? | |
| 11:00 – 11:30 | Coffee break, Group photo | |
| 11:30 – 13:30 | | |
| Michaela Fritz | Vice Rector for Research and Innovation of the Medical University of Vienna | |
| Barbara Bohle | Food allergy: an apple a day keeps the doctor away | |
| Yvonne Resch-Marat | House dust mite and cockroach allergens asthma predictor | |
| Hans Grönlund | The expanding family of pet allergens; implications for diagnosis and treatment- | |
| Viktoriya Garib Mayte Villalba | Sensitization to <i>Oleaceae</i> all year and all world around | |
| 13:30 – 15:00 | Lunch time, Poster presentation | |
| 15:00 – 16:30 | | |
| Marianne van Hage | The clinical usefulness of molecular allergy diagnostics in the treatment and prevention of allergic diseases | |
| Nikos Papadopoulos | How molecular diagnostics of rhinovirus infection can direct allergy and asthma management | |
| Paolo Matricardi | The progression of IgE response to allergens in childhood: implications for prevention and therapy | |
| 16:30 – 16:45 | Coffee break | |
| 16:45 – 18:30 | Case reports and oral presentations from participants | |
| Allergy Market, 10:30 – 18:00 | | |

5 years INUNIMAI, 4th Training for Trainers
International Network of Universities for Molecular Allergology & Immunology
February 21–23, 2018, Vienna, Austria

| | |
|--|---|
| Venue: Parkhotel Schönbrunn Hietzinger Hauptstraße 10-14 1130 Wien +43 (1)87 804-0 | |
| February 23, 2018, Seminar room Austria - Hungary | |
| 8:30 – 10:00 | |
| Felix Gastager | Routine techniques providing component-resolved diagnostic |
| Verena Niederberger | Innovation vaccine for allergic disease |
| Hans Uwe Simon | Precision medicine in patients with allergic diseases |
| 10:00 -- 10:15 | Break |
| 10:15 – 11:30 | |
| Enrique Fernández-Caldas | Development of New Allergoids to Treat Food and Respiratory allergies |
| Fernando Pineda | Advances in immunotherapy with fungi allergens: molecular immunotherapy with Alt a 1 |
| Uwe Berger | EAN - European Aeroallergen Network technical-, educational requirements and quality aspects for pollen monitoring sites |
| 11:30 – 12:30 | |
| Rudolf Valenta Viktoriya Garib | Round table of International Network of Universities for Molecular Allergology & Immunology; joint scientific projects, perspectives, website navigator |
| 12:30 – 13:30 | Lunch time |
| 13:30 – 15:00 | |
| Rudolf Valenta Viktoriya Garib | Bilateral meetings with the country coordinators |
| Allergy Market, 9:00 – 15:00 | |
| February 23, 2018 Vienna Allergy Ball, 5 years INUNIMAI | |
| Admission to the ballroom: 19:30 Beginning of the ball: 20:00 | Ballroom at Parkhotel Schönbrunn philanthropic ball, participation optional tickets available Possibilities for discussion and networking |
