

October 3, 2016

Holiday Inn Tbilisi 1, 26 May Square, Tbilisi 0171, Georgia

8.30 - 9.00	Registration and exhibition
9.00 - 9.15	
Rudolf Valenta Winfried Pickl Victoria Garib Maia Gotua	Welcome greetings on behalf of EFIS and INUNIMAI
9.15 – 10.30	
Winfried Pickl	Cellular and humoral interactions during IgE-associated immune reactions
Rudolf Valenta	Contemporary view of allergy diagnosis
10.30 - 11.00	Coffee break, poster presentations A
11.00 - 13.00	
Heimo Breiteneder	Classification of main allergen families and superfamilies
Christine Hafner	Important allergen components in routine allergy practice
Victoria Garib	Molecular classification of pollinosis. Criteria of polysensitization.
13.00 - 14.00	Lunch, poster presentations B
14.00 - 16.00	
Felix Gastager	Multiplex and quantitative detection of specific IgE
Maia Gotua	Molecular allergy diagnosis in routine clinical practice
Petra Ziegelmayer	Do sensitization profiles influence clinical pictures and patient management?
16.00 - 16.30	Coffee break, poster presentations C
16.30 – 18.00	
Mark Larché	Cellular and molecular mechanisms of allergen-specific immunotherapy

Rudolf Valenta	New strategies for therapy and prevention of allergy. Update 2016
----------------	---

October 4, 2016 Center of Allergy and Immunology (2/6 Lubljana Str. Tbilisi, 0159, Georgia) Meetings with Professors, Case-report presentations	
9.00	Registration, and rooms navigation
9.15 – 10.00	Breakfast with professors for students
10.00 – 13.00	Rotational seminars (6 stations)
Rudolf Valenta Winfried Pickl Victoria Garib	Station 1: EFIS: fostering and promoting immunology in Europe OEGAI and INUNIMAI joint scientific projects
Petra Zieglmayer	Station 2: clinical immunology and allergology. Molecular diagnosis of rhinitis and asthma
Maia Gotua, Christine Hafner	Station 3: clinical immunology and allergology. Molecular diagnosis of atopic dermatitis
Heimo Breiteneder	Station 4: Everything about allergenic molecules
Mark Larché	Station 5: Circassia's Toleromune® allergy therapy
Tamar Abramidze, Felix Gastager	Station 6: <i>In-vitro</i> allergy diagnosis (practical training)
13.00 – 13.30	Group photo: students and faculty team
13.30	Joint lunch
14.30 – 16.30	
Maia Gotua Rudolf Valenta	Case presentations section (by participants)
16.30 – 17.00	Closing remarks Best presentation awards and travel grants

Organization Committee :

Austria: Prof. Rudolf Valenta, Prof. Victoria Garib

Secretariat: Mrs. Doris Werjant, doris.werjant@meduniwien.ac.at

Georgia: Prof. Maia Gotua

Secretariat: N. Dolidze, dolidze_nana@yahoo.com

Russia: Prof. Valery A. Chereshev, immun@prm.uran.ru

Ukraina: Prof. Dr. Igor Kaidashev, kaidashev@yandex.ru
